# oakbank.daymap.net/daymapconnect

Daymap Connect is our Parent Portal and provides parents with secure messaging, the ability to see student assignments and attendance and school newsletters and information.

# Accessing Daymap Connect via a Website

# Visit oakbank.daymap.net/daymapconnect

# or oakbankas.sa.edu.au

Select Links & Resources Menu. Select Daymap Connect (Parents). Learning Resources contains guides and useful online resources for parents and students.

Each parent has their own Daymap Connect username (or Parent ID). This is usually the first four letters of your surname and two numbers eg Robin Bland's username may be BLAN00.

# **Receiving an email or SMS invitation**

New parents should receive an email which has your Username (Parent **ID**) and a link to set a password. The school can also resend this link if you contact us either by phone or email.

# Setting or Resetting a Daymap Connect Password

You can request your account details and password reset by visiting the DaymapConnect website as above and selecting Forgot your password? Enter the email address registered with the school and the Student ID of one of your children (your child should know this - if not, contact the school). Select Reset password and an email invitation with your Username (Parent ID) and a link to set a password will be sent to your registered email.
