

Daymap (Learning) Logging on at home

Daymap is Oakbank Area School's Learning Management System. **Daymap (Learning)** is used by Staff and Students to manage classes and assignments.

Daymap Connect (Parents) is our Parent portal and resides on a different address – please see our separate guide if you are a parent.

There are two ways of accessing Daymap:

1a. Direct <https://web.oakbankas.sa.edu.au/daymap>

1b. Via Oakbank Website <http://www.oakbankas.sa.edu.au>

- Select the **Learning Resources** Menu
This **Learning Resources** page contains guides and links to other online resources for students and parents
- Select **Daymap (Learning)**

2. Logging on

Enter your **6-digit student ID number** as username.

Enter your school password – this is the same password used to log on to computers/laptops at school.
