

Oakbank School requires all students from Year 7-12 to have a laptop computer each day at school, charged and ready to learn, as a part of our Bring Your Own Device (BYOD) program. Details of this program, purchasing options via our partner, LWT, and minimum specifications for devices are available in our BYOD Handbook.

From 2025 Oakbank School, in partnership with the School Device Program, offers families who apply for and are eligible for School Card in 2025 free* access to a laptop device for the school year for secondary (years 7 - 12) students.

To qualify for a School Card, your family's gross income must be below a certain limit. You must apply each school year. Applications for the 2025 school year will open mid January 2025. Full details and application online at sa.gov.au/education/schoolcard
